6.1.1: The governance of the institution is reflective of and in tune with the vision and mission of the institution

The institution PIPS is initiated by the ideals of Educational Society, the management of the institute consists of a Governing Body with a panel of members as per norms of Society, nominees from industry, regulatory body like , PCI, Affiliating University and the State Government. The Institution vision and mission is "To be a Centre of Excellence in Technical Education and to become an epicenter of Research for creative solutions" and "To address the Emerging Needs through Quality Technical Education with an emphasis on practical skills and Advanced Research with social relevance" respectively. The institution has evolved a quality policy which is as follows: "To provide an integrated learning environment to enable students to grow towards their fullest potential and meet high expectations of industry and society." The entire envisioning, designing and formulation and implementation are done following intense deliberations by all members of the Governing Body. The Governing Body functions subject to the existing provision in the bye-laws of the college and the rules laid down by the state government. The Principal of the college is the head of the institution providing the required leadership to the institution and its system. The principal ensures that all provision of the university bye-laws, statutes and the regulations are observed. He convenes the meetings of the Advisory councils, the Academic council, Board of Studies, Finance committee, planning and Monitoring Board, Selection Committees. He also over sees admission of students; recruitment of faculty, curricular programmes, student feedback, internal and external assessment, financial implication, course contents, cocurricular and extra-curricular activities. The faculty are actively engaged and involved in decision making process. Periodic meetings of all Head of the department and also the intra-departmental meetings convey and implement decisions taken by the committees and endorsed by management. Senior faculties are represented in all committees

by rotation to enhance administrative experience of all staff. This will help to refine and run the system of administration to continuously sustain, renew and enhance quality of the education by the institution PIPS administration is led by the Principal, collectively with the help of HODs, and various functional heads. There is complete delegation of authority and responsibilities at PIPS , and the administration functions through various appointed committees. Planning in the institute is collective "Bottom to Top" process. Requirements are gathered at functioning level and assessed and forwarded to administrative level. This results in a plan reflecting actual requirements. It is guided by vision and mission and willingness to fund any developmental expenditure by the Management. The management gathers information regarding the various aspects on functioning of the institution in a number of ways. The Planning process is helped by an efficient Software system which provides access to integrated data that is used to disseminate information. PIPS constantly tries to bring innovation in teaching and learning process by using modern technology, training methods and human resource planning.
